December 2025

Dear Immaculate Conception School Community,

As our school community continues to grow, so do our efforts to provide for the current and future needs of our young saints and their families. Our enrollment has expanded to include 195 total students for the 2025-26 academic year. We have welcomed new Kindergarten, Third Grade, and Title 1 teachers, along with a new Preschool Aide. Our campus facilities received a number of upgrades since last year, including air conditioning units for our classrooms and improved technology, all made possible by the generosity of our donors.

Beyond our commitment to providing a well-rounded education in a safe and private setting, we remain devoted to improving the formation of our young saints and their families in the Catholic Faith, so that through careful learning and preparation, they will be equipped with every good gift for maturing as holy men and women who will know God, love God, and serve God through their love and service for others.

Whether you are a member of our Parish Church, an alumni of our Parish School, or a family relation of one of our students, we are humbly asking for you to prayerfully consider making a contribution to our *Immaculate Conception School Annual Fund*. Your generosity will support our efforts to provide students with access to the latest technology and immersive experiences of the fine arts. Last year we upgraded our existing play area for our younger students, and we added a new fenced-in play area adjacent to the basketball court on Broad Street, which has already gotten plenty of use. This coming year, adjacent to the new play area, we hope to have approval for a pavilion, which will include a large fenced-in and covered area for outdoor events and a large built-in grilling station. You may have noticed that the ground has already been prepared in anticipation!

At Immaculate Conception School, we appreciate how challenging it is to support Catholic education during these difficult times, but your ongoing contributions will help to ensure our stability and growth while providing quality education for many years to come. Thank you for your generous support, and please know of our daily prayers for your families and everyone who helps to make Immaculate Conception School possible.

Immaculate Mary, pray for us,

Rev. Fr. Albert Beltz, Pastor

Mrs. Joy Tokarsky, Principal
